Application and Admission

An application for graduate admission must be completed prior to enrollment in any 5000 level class. The application should be completed and returned to the Graduate College at least one month prior to enrollment in any graduate course work. Two transcripts of all previous course work must be sent directly from the school(s) attended to the Graduate College, Northeastern State University, Tahlequah, OK 74464-2399. Earlier application dates and additional application materials are required for admission to several degree programs.

The minimum requirements for regular admission to the Graduate College are: an earned bachelor's degree from an accredited college or university; grade point average of 2.5 based on a 4.0 scale on all undergraduate course work attempted; or a 2.75 based on a 4.0 scale in the last 60 semester hours of undergraduate course work attempted; submission of scores on an appropriate admission test.

More detailed and specific information is available in the NSU Graduate Catalog.
