The NSU Foundation Guardian Society

Members of the NSU Foundation Guardian Society are honored for their outstanding insight that reflects a visionary commitment to the mission of the University. With the unique discernment that comes with looking beyond the needs of today to the challenges of a changing world, these friends of Northeastern form a unique 'hall of fame.' They are heroes to the students whose lives are changed through their generosity.

By naming the NSU Foundation in their wills, these honorees have designated all or a portion of their estate to be used for endowment or other special purposes. Among their ranks are included those who have arranged a charitable gift annuity with the NSU Foundation. These philanthropic individuals are sharing their assets with NSU, while maintaining an economic stream for their lifetime.

Members of the Guardian Society include donors who have placed major assets in a charitable trust, to meet personal income needs in

their lives, and to benefit the NSU Foundation in the years ahead. They deserve a standing ovation for their foresight.

Other members have made the NSU Foundation a beneficiary of their life insurance or retirement plan accounts. These donors invest in the future of Northeastern, and in doing so, reaffirm their commitment to permanence.

It's not the amount an individual gives that earns a place in the NSU Foundation Guardian Society. Rather, it is the uncommon discernment that comes with seeing tomorrow's needs and acting today.

We want to honor you and count you among those worthy members of the NSU Foundation Guardian Society. To learn about this planned giving opportunity, contact the NSU Foundation at 918.458.2143
